

# SCHOLARSHIPS FOR INTERNATIONAL STUDENTS

COLLEGE OF ENGINEERING  
NATIONAL CHUNG CHENG UNIVERSITY

## CONTENTS

- Scholarships of National Chung Cheng University ..... 1
- National Chung Cheng University Overseas Research Scholarships (ORS) for Ph.D. Students ..... 3
- Scholarships of Dept. Computer Science and Information Engineering ..... 4
- Scholarships of Dept. Electrical Engineering and Communications Engineering ..... 5
- Scholarships of Dept. Mechanical Engineering..... 7
- Scholarship for Outstanding AIM-HI Master & Ph. D Program Students ..... 10

## Scholarships of National Chung Cheng University

<b>Name of Scholarship</b>	CCU Scholarships for international students
<b>Qualifications</b>	<ol style="list-style-type: none"> <li>1. First-year international students</li> <li>2. Undergraduate students should complete at least 8 credit hours with an average course grade of over 65 in the previous semester.</li> <li>3. Ph.D. and postgraduate students should complete at least 4 credit hours with an average course grade of over 75 in the previous semester.</li> <li>4. Students who do not have an average course grade of the previous semester, and is currently in the process of writing thesis for the Ph.D. or Master program, have to provide recommendation letters from their advisors, along with a list of their research accomplishments (including thesis proposals and published papers).</li> <li>5. Students must have good conduct and no rule violation record.</li> </ol>
<b>Application period</b>	<ol style="list-style-type: none"> <li>1. First-year international students shall apply at admission</li> <li>2. On-campus students: Those who have studied at CCU for more than one semester must apply by April 15th and November 15th of each year.</li> </ol>
<b>Application procedure</b>	<ul style="list-style-type: none"> <li>◆ First-year international students: Apply along with admission application</li> <li>◆ On-campus students: <ol style="list-style-type: none"> <li>1. Apply to the Division of International Students of Office of International Affairs for the scholarship of next semester.</li> <li>2. Application materials: <ol style="list-style-type: none"> <li>A. Transcripts of the previous semester</li> <li>B. Application form</li> <li>C. Academic Performance of International Students</li> <li>D. Evaluation Form of International Students: Chinese Language Abilities and Chinese Language Courses Attendance.</li> </ol> </li> </ol> </li> </ul> <p>*Under the official permission proved by the department committees or the advisors, some of the Graduate and Ph.D. students may apply Chinese courses exemption.</p>

<b>Content of the Scholarship</b>	<ol style="list-style-type: none"><li>1. Partial or total exemption of tuition and credit fees</li><li>2. Partial or total exemption of miscellaneous fees</li><li>3. Exemption from on-campus accommodation fee. (excluding refundable security deposit and the fees of electricity and network connection fees) *Students who withdraw from the dormitory voluntarily shall not be compensated by any amount.</li><li>4. Living stipend (according to the annual budgets)</li></ol> <p><b>*Note:</b> Recipients of the CCU scholarships cannot be awarded with the following scholarships or financial aid concurrently. If any repeated scholarships are verified to be true, in addition to canceling the scholarship eligibility for this scholarship, the scholarships for the repeated months of receiving the scholarships will be recovered.</p> <ol style="list-style-type: none"><li>1. Ministry Of Education Taiwan Scholarship</li><li>2. MOE Huayu Enrichment Scholarship</li><li>3. MOFA Taiwan Scholarship</li><li>4. MOST Taiwan Scholarship</li><li>5. Elite Scholarship</li><li>6. Other government scholarships that cannot be concurrently received under other regulations.</li></ol>
-----------------------------------	---

## National Chung Cheng University Overseas Research Scholarships (ORS) for Ph.D. Students

<b>Qualifications</b>	<p>International students who are admitted in or after the academic year of 2019, as full time Ph.D. students via the Ph.D. selection screening, written examination, application, or direct pursuit of Ph.D. degree, with academic records and research potentials are qualified to apply for this scholarship.</p>
<b>Application period</b>	<ol style="list-style-type: none"> <li>1. At admission</li> <li>2. At the beginning of Fall/Spring semester, depending on the announcement from the CCU Office of International Affairs</li> </ol>
<b>Application procedure</b>	<p>The University offers a quota of maximum 30 awardees in each academic year. Applications have to be submitted by the student, initially approved by the department and finally graded by the college. The final list of granted scholarships will be sent to the Office of Research and Development for budget control, and finally executed by the Office of International Affairs.</p>
<b>Content of the Scholarship</b>	<ol style="list-style-type: none"> <li>1. LEVEL A: NT\$40,000 per month.</li> <li>2. LEVEL B: NT\$30,000 per month.</li> <li>3. LEVEL C: NT\$20,000 per month.</li> </ol> <p>An application by a freshman student will only considered for LEVEL C scholarship, and the scholarship will be awarded on a monthly basis. Starting from the second year, the scholarship for each month will be adjusted based on the student's research results and performance.</p> <p><b>*Notice:</b></p> <ol style="list-style-type: none"> <li>1. Full-time international Ph.D. students, during the period of being granted this scholarship, should publish their research results in international journals indexed by the WOS or Scopus, and the publications should bear the name of the University.</li> <li>2. Students with any one of the following circumstances are not qualified to apply for the scholarship.             <ol style="list-style-type: none"> <li>I. Have full-time job in a public or private organization.</li> <li>II. In the academic year of admission, the applicant student opted for suspension of studies, reserving the admission status, or did not finish registration procedures.</li> </ol> </li> <li>3. The scholarship awarded students can also obtain the following award items:             <ol style="list-style-type: none"> <li>I. Partial or total exemption of tuition and credit fees.</li> <li>II. Partial or total exemption of miscellaneous fees</li> <li>III. Exemption from on-campus accommodation fees (the amount of exempted is by the minimum dormitory fees of each academic year). Those who have withdrawn from the dormitory voluntarily, shall not be compensated by any amount.</li> <li>IV. Living stipend (by the annual budgets)</li> </ol> </li> </ol>

## Scholarships of Dept. Computer Science and Information Engineering

<b>Name of Scholarship</b>	Department of Computer Science and Information Engineering Ph.D. Freshman Scholarship
<b>Qualifications</b>	The candidates for this scholarship are the full-time first year student of the Ph.D. program.
<b>Application period</b>	According to the yearly announcement from the department office
<b>Application procedure</b>	The applicant shall fill in the scholarship application form, provide related documents and proofs, and submit the application to the department office within the time announced each year.
<b>Content of the Scholarship</b>	When there is more than one candidate, the candidate selection will be based on merit. The monthly scholarship will be NT\$11,000 and the maximum length of scholarship provision will be one year. The above scholarships will not be given to the same student more than once. The student awarded this scholarship shall have registered for that academic year. The amount awarded will be based on the budget allocated to the department each year

<b>Name of Scholarship</b>	Scholarly Journal Scholarship for Ph.D. students
<b>Qualifications</b>	<ol style="list-style-type: none"> <li>1. Ph.D. students of this department who publish SCI or SSCI journal papers in the name of the department during their studies. The grant is limited to one person at a time for each paper.</li> <li>2. Each person is limited to two awards per year</li> </ol>
<b>Application period</b>	Applicants must submit an application after receiving the notice of publication of the paper until January 31 of the following year.
<b>Application procedure</b>	Apply to the department office
<b>Content of the Scholarship</b>	<ol style="list-style-type: none"> <li>1. Outstanding Journal Papers: Published in SCI or SSCI journals and ranked in the top (including) 15% in their field (including sub-fields) on average within five years calculated by JCR, each article will be awarded 1 unit.</li> <li>2. Excellent journal papers: published in SCI or SSCI journals and ranked in the top (including) 50% in their field (including sub-fields) on average within five years calculated by JCR, and each article will be awarded 0.5 units. Journals in various fields not ranked in the top 50% can be regarded as excellent journals and included in the awarded scope through the review of the committee of the Institute of Computer Science and Information Engineering.</li> </ol> <p>*The amount of each reward unit converted into the reward money is the total subsidy amount divided by the total reward unit, but each unit does not exceed NT\$10,000.</p>

## Scholarships of Dept. Electrical Engineering and Communications Engineering

<b>Name of Scholarship</b>	Awards for various competitions
<b>Qualifications</b>	Students of Dept. Electrical and Communications Engineering who (team or individual) win prizes in external competitions
<b>Application period</b>	Apply to the department office within 2 weeks after the results of the competitions are announced.
<b>Application procedure</b>	Limited to the award-winning team or individual applications. The relevant competition regulations, event schedules, list of winners, and ranking should be submitted.
<b>Content of the Scholarship</b>	<p>A certificate of merit and a certain amount of award money will be awarded in public.</p> <ul style="list-style-type: none"> <li>■ Competitions in engineering fields:             <ol style="list-style-type: none"> <li>1. Global competitions organized by well-known international organizations The award-winning team: NT\$10,000 for 1st place, NT\$8,000 for 2nd place, NT\$6,000 for 3rd place.</li> <li>2. National competitions organized by official or well-known domestic organizations The award-winning team: NT\$5,000 for 1st place, NT\$4,000 for 2nd place, NT\$3,000 for 3rd place.</li> </ol> </li> <li>■ Sports competitions             <ol style="list-style-type: none"> <li>1. National sports competitions                 <ol style="list-style-type: none"> <li>1.1 Individual event: NT\$1,500 for 1st place, NT\$1,200 for 2nd place, and NT\$1,000 for 3rd place.</li> <li>1.2 Doubles match: NT\$3,000 for 1st place, NTD2,400 for 2nd place, and NTD2,000 for 3rd place.</li> <li>1.3 Team competition: NT\$5,000 for 1st place, NTD4,000 for 2nd place, and NTD3,000 for 3rd place.</li> </ol> </li> <li>2. CCU Sports Day, interschool and interfaculty cup: 1st place in all competitions                 <ol style="list-style-type: none"> <li>2.1 Individual event: NT\$1,000 each person</li> <li>2.2 Doubles match: NT\$500 for each person</li> </ol> </li> <li>3. Team competition: NT\$2,000 each team</li> </ol> </li> </ul>

<b>Name of Scholarship</b>	Founding for teaching assistant and research assistant in Dept. Electrical Engineering
<b>Qualifications</b>	<p>◆ Teaching assistant</p> <ol style="list-style-type: none"> <li>1. General international students who are enrolled in the master's or doctoral program of this department and have passed the CCU teaching assistant certification</li> <li>2. International students who have already received scholarships or grants from the government of Taiwan or the home countries are not allowed to receive this founding</li> </ol> <p>◆ Research assistant</p> <p>General international students who are enrolled in the master's or doctoral program of this department</p>
<b>Application period</b>	No specific duration
<b>Application procedure</b>	Apply to the teaching professors
<b>Content of the Scholarship</b>	Determined by respective professors

## Scholarships of Dept. Mechanical Engineering

<b>Name of Scholarship</b>	Scholarship for first-year student of Dept. Mechanical Engineering
<b>Qualifications</b>	First-year students in master's and doctoral programs of this department and their graduation grades in home universities must meet B (inclusive) or higher
<b>Application period</b>	First-year students can apply at admission
<b>Application procedure</b>	Materials provided by the first-year students at admission will be evaluated.  When the applications are more than the assigned quota, students shall submit transcripts in their undergraduate programs and other favorable materials. The applications will be reviewed and determined by the department's committee.
<b>Content of the Scholarship</b>	<p>◆ First-year postgraduate student:  Based on the number of master's students in the current academic year, 1 for every 20 students. The award money is up to NT\$2,500 per month, 12 months a year</p> <p>◆ First-year Ph.D. students:  Based on the number of doctoral students in the current academic year, 1 for every 10 students. The award money is up to NT\$4,000 per month, 12 months a year.</p>

<b>Name of Scholarship</b>	Scholarly Journal Scholarship of Dept. Mechanical Engineering
<b>Qualifications</b>	Postgraduates of this department who publish SCI journal papers during their studies (except for the advisor, students are the first authors)
<b>Application period</b>	Applications should be submitted before the end of April each year.  Papers published from May 1 of the previous year until April 30 of the current year (SCI journal articles are subject to the acceptance date of the paper) are eligible.
<b>Application procedure</b>	Please submit the application form and relevant materials to the department office to apply. The signature in the student application materials must be signed by the student and his advisor. If the verification is not true, the scholarship qualification will be canceled and the reward money has to be returned.
<b>Content of the Scholarship</b>	According to papers published in SCI journals, each paper is graded according to its field (JCR classification):  Q1, 25,000 points per paper  Q2, 15,000 points per paper  Q3, 10,000 points per paper  Q4, 5,000 points per paper  The point conversion amount is determined by the department every year.

<b>Name of Scholarship</b>	Awards for competitions Dept. Mechanical Engineering
<b>Qualifications</b>	Students of Dept. Mechanical Engineering who win prizes in external competitions
<b>Application period</b>	Apply to the department office within 2 weeks after the results of the competitions are announced.
<b>Application procedure</b>	Limited to the award-winning team or individual applications. The relevant competition regulations, event schedules, list of winners, and ranking should be submitted.
<b>Content of the Scholarship</b>	<p>■ Competitions in engineering fields:</p> <ol style="list-style-type: none"> <li>1. Global competitions organized by well-known international organizations : <ol style="list-style-type: none"> <li>A. Individual events: 5,000 points for 1st place, 4,000 points for 2nd place, and 3,000 points for 3rd place.</li> <li>B. Team competitions: 10,000 points for 1st place, 8,000 points for 2nd place, 6,000 points for 3rd place.</li> </ol> </li> <li>2. National competitions organized by official or well-known domestic organizations : <ol style="list-style-type: none"> <li>A. Individual events: 2,500 points for 1st place, 2,000 points for 2nd place, and 1,500 points for 3rd place.</li> <li>B. Team competition: 5,000 points for 1st place, 4,000 points for 2nd place, 3,000 points for 3rd place.</li> </ol> </li> </ol> <p>■ Competitions in Non-engineering fields (such as sports competitions, etc.)</p> <ol style="list-style-type: none"> <li>1. Global competitions organized by well-known international organizations : <ol style="list-style-type: none"> <li>A. Individual matches: 3,000 points for 1st place, 2,400 points for 2nd place, and 2,000 points for 3rd place.</li> <li>B. Team competition: 6,000 points for 1st place, 4,800 points for 2nd place, 4,000 points for 3rd place.</li> </ol> </li> <li>2. National competitions organized by official or well-known domestic organizations : <ol style="list-style-type: none"> <li>A. Individual matches: 1,500 points for 1st place, 1,200 points for 2nd place, and 1,000 points for 3rd place.</li> <li>B. Team competition: 3,000 points for 1st place, 2,400 points for 2nd place, 2,000 points for 3rd place.</li> </ol> </li> </ol> <p>*The point conversion amount is determined by the department every year.</p>

## Scholarship for Outstanding AIM-HI Master & Ph. D Program Students

Name of Scholarship	Eligible Recipients of AIM-HI Scholarship Award
<b>Qualifications</b>	<ol style="list-style-type: none"> <li>1. An applicant must meet all of the following criteria:</li> <li>2. Applicants must qualify as international students as stipulated in Article 2 of National Chung Cheng University Provisions for the Admission of Foreign Students.</li> <li>3. Applicants must be enrolled as full-time international students, working toward degrees or certificates (including transnational joint degrees) in CCU department or program.</li> <li>4. Applicants must be international graduate students, in the process of applying for or already enrolled in CCU to study in the department or program related to AIM-HI.</li> </ol>
<b>Application Deadline and Procedures</b>	<ol style="list-style-type: none"> <li>1. Incoming international students could apply for the scholarship when applying the admission to CCU.</li> <li>2. Enrolled international students for the fall semester must submit all the required application materials to AIM-HI within one month before the semester begins.</li> <li>3. The Review Committee of the AIM-HI Scholarship will evaluate the incoming international students' application documents before awarding any AIM-HI Scholarships to the faculty mentor.</li> <li>4. All the completed application documents must be submitted to the AIM-HI email address.</li> </ol>
<b>Application Materials</b>	<ol style="list-style-type: none"> <li>1. Incoming <u>AIM-HI Program Students</u>:               <ol style="list-style-type: none"> <li>A. Application Form for AIM-HI Scholarship Award (Created by AIM-HI)</li> <li>B. Statement of Purpose</li> <li>C. Scanned Copy of the applicant's passport or other nationality certificates</li> <li>D. A copy of the highest degree and academic transcripts, and the provisions in Subparagraph 2 of Paragraph 1 of Article 7 of the "MOE Regulations Regarding International Students Undertaking Studies in Taiwan" shall be complied with. Documents in a language other than Chinese or English must be translated into Chinese or English and the translated documents must be authenticated.</li> <li>E. A copy of a language proficiency certificate. TOEFL test scores or other English language proficiency exam documents or an English program diploma (English-speaking nationals are exempt from this rule) recognized by the local government.</li> </ol> </li> </ol>

	<ul style="list-style-type: none"> <li>F. Two letters of reference (i.e. from the principals, professors, or supervisors).</li> </ul> <p>2. Enrolled AIM-HI Program Students:</p> <ul style="list-style-type: none"> <li>A. Application form for AIM-HI scholarship award</li> <li>B. Official transcript for the previous year</li> <li>C. Proof of study (<u>scanned-copy of student's ID card</u>)</li> <li>D. Valid Alien Resident Certificate (ARC)</li> <li>E. Copy of post office account book</li> <li>F. Graduate students writing theses who do not have a GPA from the previous academic year, must provide recommendation letters from advisors, and list their research accomplishments (including thesis proposals and published papers).</li> </ul>
<p><b>Details of AIM-HI Scholarship Awards</b></p>	<p>1. Full or partial awards of the followings:</p> <p>Subsistence allowance:</p> <ul style="list-style-type: none"> <li>A. doctoral students: maximum monthly stipend of NT\$ 15,000</li> <li>B. master students: maximum monthly stipend of NT\$ 8,000</li> </ul> <p>2. AIM-HI Scholarship begin from the month of the recipients' registration at CCU and end when the award period expires or upon the recipients' graduation, withdrawal, suspension, expulsion, or revocation of the scholarship.</p> <p>3. Quotas for scholarships offer by AIM-HI are contingent upon the annual budget of AIM-HI program. If there is no planned budget for this program, this regulation will be terminated.</p> <p>※The recipients of the AIM-HI scholarships cannot be awarded with the full provisions of the following scholarships or financial aid concurrently:</p> <ul style="list-style-type: none"> <li>A. Scholarships funded by Taiwanese governmental agencies.</li> <li>B. Additionally full scholarships or financial aid from CCU which is equal to or more than the AIM-HI scholarship.</li> </ul> <p><b>If an additional scholarship is approved, the AIM-HI scholarship shall be terminated and the overlapping scholarship awards must be returned.</b></p>
